*(Monument by Crater Road)*

Vibrant Fingers  
Reaching high  
Needles pointing  
To the sky  
Tracing rainbows  
Cupping rain  
Catch the dawn-light's  
Golden stain  
Glorious tree tops  
Tender leaves  
Gently shiver  
Touched by breeze  
Stirred by passing  
Of His train  
Cheer night's yielding  
To His reign  
Keep unsheathing  
Heaven's Knife  
Pierce the heart  
Release the life.
